

What we do

Yooralla is Victoria's most established and recognised for purpose disability service provider. We work in partnership with people with disability and their support network to deliver high-quality supports, so they can live the life they choose.

Therapy Supports

Our team of allied health professionals provide tailored support, including communication and assistive technology and nurses for complex medical needs.

Life Skills

Supporting the development of everyday life skills that increase independence and control.

Community Hubs

Opportunities to make friends, learn life skills and participate in activities, such as gardening or getting out into the community.

Assistance with Daily Living

Tailored support and skill development, including showering, going shopping or getting to an appointment.

Job Skills and Employment Pathways

Supporting people to pursue their employment goals through skill development, job training and building pathways into employment.

Specialist Children's Supports

Providing specialised early intervention programs and children's therapy, to support children and families.

Support Coordination

Assisting people to implement their NDIS plan and coordinate all of their NDIS supports.

Recreation

Various fun activities ranging from social groups, school holiday programs, camps, daily outings and more.

Home and Living

Providing a range of accommodation options to support independent living.

Positive Behaviour Support

Providing tailored support to children and adults who present with behaviours of concern.
